Located at the foot of the Albères Mountains in the Pyrénées-Orientales, Domaine Leonine covers nearly 14 hectares with vines ranging from 20 to 60 years old. The estate is farmed organically and biodynamically, with treatments reduced to the essentials: sulfur, copper, horsetail and nettle teas.

Based in Switzerland, in the picturesque village of Saint-Légier, Tyalo, Tyalo is a winery that has come to fruition by the shared passion and skill of Felipe Raupp and Yanis Carnal. They believe in single parcel, single varietal cuvées, with the strongest expressions of character. These artisanal wines are 100% Natural.
